Special Education Services Available to Eligible Children

The Leon County Special Education SSA provides special education services to eligible disabled children through their local district within the SSA. The student must be between the ages of 3 and 21. For children who are visually or hearing impaired, services are provided from birth through age 21. A variety of placement options are available. Children are placed after they have been found to have an educational disability through the process of referral and evaluation.

For more information, call the Leon County Special Education office at 903-536-2153.
